

Raise the Roof — a Cause for Paws!

ICARE (Inyo/Mono County Animal Resources and Education) has partnered with **Inyo County** to construct a new **Animal Shelter and Adoption Center** in Big Pine. The existing shelter was constructed as a milk barn in the 1920s and was never intended to house companion animals. **Our homeless pets deserve better!**

ICARE and **Inyo County** have raised about \$500,000 out of the \$800,000 needed to construct the new shelter. In order to start work on the project, ICARE is asking animal lovers near and far to help us raise the final **\$300,000**.

Although donations in any amount are welcome and needed, donations of at least \$500 will be acknowledged on a **Donor Recognition Wall** in a prominent location at the new Animal Shelter and Adoption Center.

“Paw” recognition levels are as follows:

- PLATINUM** - **\$5,000** or more is enough for one dog kennel or two cat kennels.
- GOLD** - **\$2,500** is enough for one cat kennel
- SILVER** - **\$1,000**
- BRONZE** - **\$500**

YES, I want to help build the new Animal Shelter/Adoption Center!

☐ \$5,000 ☐ \$2,500 ☐ \$1,000 ☐ \$500 ☐ Other \$ _____
